

# Saint George's Anglican Church

August 28, 2008

My Brothers and Sisters in Christ,

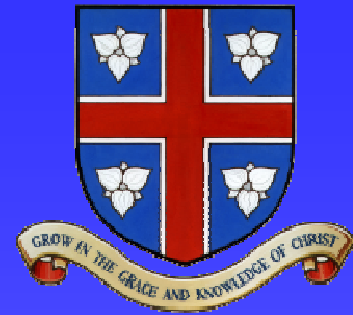

On behalf of the wardens and myself, I am inviting you to help St. George's step forward in our mission to be the church and proclaim the gospel in Georgetown.

In the last couple of years we have made changes to our staff and to our services, most recently the part-time hiring of the Rev'd Nancy Rowe and renewing the 11:15 am Sunday service with a contemporary worship style. Along with these changes, that we believe will move us forward in our ministry to you and our community, we are also looking at our physical property and examining how it can help us to do the same. **Our hope is that how our property looks, how our building feels, and how it works on the inside will reflect and enhance the vision God has for our parish.**

To help us discern that vision we have prepared a survey that we are asking you to fill out and return to us at the church. The included survey is a practical way for all of us to better understand how we use our space **today**, and how it will continue serving our purpose **in the future**. Your participation in this survey will help us put together a picture of St. George's that will communicate to those that pass by that we are inviting and welcoming and those come find confirmation of that welcome and will find a place where they can grow in faith in Christ and be equipped to live a life of faith.

Thank you, in advance, for carefully and prayerful helping us by filling out this survey. We are asking that the survey be returned to us by Sunday, October 5, 2008. We look forward to sharing the results of this survey with you as we begin to shape picture of St. George's for tomorrow.

Peace,
